Directors' report

The Directors present their report and the financial statements of the Company for the period from 4 September 2026 to 30 September 2026.

Principal activity

The Company was incorporated in Jersey on 4 September 2026 as a Private Company Limited by Shares under the Companies (Jersey) Law 1991. During the period from incorporation to 30 September 2026, the Company had not commenced trading operations and generated no revenue. The Company had no employees and had not opened a bank account as at 30 September 2026.

Results and dividends

The results of the Company for the period are set out in the Statement of Comprehensive Income on page 7. The Directors do not recommend the payment of a dividend for the period.

Directors

The Directors of the Company who served during the period, having been appointed on 4 September 2026, were Hawksford Directors 1 Limited and Hawksford Directors 2 Limited. No director had any material interest in any contract of significance with the Company during the period.

Share capital

The Company's issued share capital comprised one ordinary share of £1.00, which was issued on incorporation and remained unpaid as at 30 September 2026 (note 5).

Going concern

The Directors have considered the appropriateness of applying the going concern basis for the Company. The Company's shareholder has confirmed that it will provide such financial support as necessary to enable the Company to meet its obligations as they fall due. Accordingly, the Directors have prepared the financial statements on a going concern basis. (note 4).

Post balance sheet events

Events after the reporting date are disclosed in note 10.

Independent Auditor

Grant Thornton Limited have been appointed as the Company's independent auditor.

Docusign Envelope ID: 00687260-3189-8BE9-80D8-A7694E137FAF

Directors' responsibilities statement

The Directors are responsible for preparing their annual report and the financial statements in accordance with applicable law and regulations.

The Companies (Jersey) Law 1991 requires the Directors to prepare the financial statements for each financial period in accordance with prescribed generally accepted accounting principles. Under that law, the Directors have elected to prepare the financial statements in accordance with the International Financial Reporting Standards as adopted by the European Union (EU IFRS). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Company will continue in business; and
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and reasons for any material departures from those standards.

The Directors confirm they have complied with the above requirements in the preparation of the financial statements.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy, at any time, the financial position of the Company and to enable them to ensure that the financial statements comply with the requirements of the Law. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as the Directors are aware, there is no relevant audit information of which the Company's auditors are unaware and each Director has taken all the steps that he or she ought to have taken as a Director in order to make himself or herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Independent auditor's report

To the members of Anduin Issuance (JE) Limited

Opinion

We have audited the financial statements of Anduin Issuance (JE) Limited (the 'Company') for the period ended 30 September 2026 which comprise the Statement of Financial Position, the Statement of Comprehensive Income, the Statement of Changes in Equity, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies.
In our opinion, the accompanying financial statements:

- give a true and fair view of the financial position of the Company as at 30 September 2026 and of its financial performance and its cash flows for the period then ended;
- are in accordance with IFRS Accounting Standards (IFRSs) as adopted by the European Union (EU); and
- have been prepared in accordance with the requirements of the Companies (Jersey) Law 1991.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Jersey, including the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The directors are responsible for the other information. The other information comprises the information included in the financial statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we

Docusign Envelope ID: 00687260-3189-8BE9-80D8-A7694E137FAF

conclude that there is a material misstatement of this other information, we are required to report that fact.
We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies (Jersey) Law 1991 requires us to report to you if, in our opinion:

- proper accounting records have not been kept by the Company; or
- the Company financial statements are not in agreement with the accounting records; or
- we have not received proper returns adequate for our audit from branches not visited by us; or
- we have not obtained all the information and explanations, which to the best of our knowledge and belief, are necessary for the purposes of our audit.

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on page 3, the directors are responsible for the preparation of the financial statements which give a true and fair view in accordance with IFRS as adopted by the EU, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

Docusign Envelope ID: 00687260-3189-8BE9-80D8-A7694E137FAF

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Article 113A of the Companies (Jersey) Law 1991. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The Company was incorporated during September 2026 and did not hold any cash or maintain a bank account during the period. Consequently, no cash flows arose from operating, investing or financing activities. During the period, the Company issued one ordinary share with a nominal value of £1. The share remained unpaid as at 30 September 2026. As no cash was received, the transaction constituted a non-cash financing transaction and is therefore excluded from the statement of cash flows.

Docusign Envelope ID: 00687260-3189-8BE9-80D8-A7694E137FAF

Notes to the financial statements

1. Reporting entity

Anduin Issuance (JE) Limited (the “Company”) is a private company limited by shares incorporated in Jersey, Channel Islands, on 4 September 2026 and registered with the Jersey Financial Services Commission under number 167251. The Company's registered office is 15 Esplanade, St. Helier, JE1 1RB, Jersey. The Company was incorporated as a special purpose vehicle and, as at 30 September 2026, had not commenced any trading operations and had no employees. These financial statements cover the period from 4 September 2026 to 30 September 2026, being the Company's first financial period.

The Company's immediate parent is Anduin Holdings (the “Parent”), a company incorporated in the Cayman Islands, which held 100% of the Company's issued share capital throughout the period.

2. Basis of preparation

These financial statements have been prepared in accordance with International Financial Reporting Standards as adopted by the European Union (“EU IFRS”) and with the requirements of the Companies (Jersey) Law 1991, so as to give a true and fair view of the financial position of the Company as at 30 September 2026 and of its financial performance and cash flows for the period then ended. The financial statements have been prepared on the historical cost convention and on the going concern basis.

The financial statements are presented in pounds sterling (£), which is the Company's functional and presentation currency. The Company was incorporated on 4 September 2026 and the period from incorporation to 30 September 2026 represents its first financial period. Accordingly, no comparative information is presented. The accounting policies set out in note 3 have been applied consistently throughout the period.

New standards, amendments and interpretations issued but not yet effective

Certain new and amended accounting standards and interpretations have been issued but are not yet effective and have not been early adopted by the Company. Management is assessing their impact and, based on the Company’s current activities, they are not expected to have a material impact on the financial statements, other than potential changes in presentation and disclosure arising from IFRS 18 Presentation and Disclosure in Financial Statements, which is effective for annual reporting periods beginning on or after 1 January 2027.

Docusign Envelope ID: 00687260-3189-8BE9-80D8-A7694E137FAF

3. Summary of significant accounting policies

The Company is not yet operational and had no material transactions during the period. Accordingly, the accounting policies disclosed below are limited to those relevant to an understanding of these financial statements; they have been applied consistently to all transactions of the period.

a) Revenue

The Company had no revenue during the period, having not commenced trading operations. Revenue, when it arises, will be recognised when the related performance obligation is satisfied.

b) Expenses and accruals

Costs are recognised as expenses when the obligation giving rise to them is incurred. A liability is recognised when, as a result of a past event, the Company has a present obligation, settlement of which is expected to result in an outflow from the Company of resources embodying economic benefits, and the amount can be estimated reliably.

c) Share capital

Ordinary shares are recognised at the nominal value of the shares issued. The issue of shares on which no amount is paid is a non-cash transaction disclosed in the Statement of Cash Flows (note 5).

d) **Financial instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are classified and subsequently measured in accordance with IFRS 9 based on the Company's business model for managing the financial assets and their contractual cash flow characteristics. Trade and other payables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method. Due to their short-term nature, their carrying amounts approximate their fair values. The Company had not opened a bank account as at 30 September 2026 and accordingly held no cash or cash equivalents during the period (Note 9).

e) Taxation

Income tax is determined in accordance with Jersey tax law (note 8). No deferred tax is recognised because the Company has no taxable temporary differences.

4. Going concern

The Company was incorporated on 4 September 2026 and, as at the reporting date, had not commenced trading operations, had not opened a bank account and had no external borrowings. The Directors have, notwithstanding the Company's recent incorporation and absence of trading history, made an assessment of the Company's ability to continue as a going concern for a period of at least twelve months from the date of approval of these financial statements and have a reasonable expectation that the Company has adequate resources to continue in operational existence and to meet its liabilities as they fall due throughout that period.

Docusign Envelope ID: 00687260-3189-8BE9-80D8-A7694E137FAF

In assessing the appropriateness of the going concern, the Directors have considered that the Company's establishment and administration costs can be settled directly by the Parent on its behalf, if necessary. The Company has no external funding requirements, borrowings or debt covenants. Even though the Company is in a net liability position as at 30 September 2026, the Directors have considered the Parent's written resolutions, pursuant to a board resolution dated 10 September 2026, to provide sufficient financial support to enable the Company to meet its obligations as they fall due for a period of at least twelve months from the date of approval of these financial statements, including through direct settlement of the Company's costs where necessary, until the Company becomes operational and receives operational funding. Accordingly, the Directors have a reasonable expectation that the Company will continue as a going concern for the foreseeable future and have therefore prepared these financial statements on a going concern basis.

5. Share capital

The authorised share capital of the Company is £10,000 comprising of 10,000 ordinary shares of £1 each. During the period, the Company issued one ordinary share of £1, which remained unpaid as at 30 September 2026, as shown below:

	Number of shares	£
At incorporation	-	-
Ordinary share issued during the period	1	1
At 30 September 2026	**1**	**1**

The ordinary share carries one vote per share at general meetings and the rights to participate equally in dividends and in any distribution of assets on a winding-up. No further shares were issued, cancelled, repurchased or allotted during the period, and no share options or convertible instruments were in existence during or at the end of the period.

The issue of the unpaid share did not give rise to a cash flow of the Company, as no amount was paid on issue; this non-cash transaction is disclosed in accordance with IAS 7 (see the statement of cash flows). The Company had not opened a bank account as at 30 September 2026.

6. Immediate and ultimate controlling party

As at 30 September 2026, the Directors consider Anduin Holdings, a company incorporated in the Cayman Islands, as the immediate and ultimate controlling party.

Docusign Envelope ID: 00687260-3189-8BE9-80D8-A7694E137FAF

7. Related party transactions

The Company's related parties comprise its immediate parent, Anduin Holdings (“the Parent”) and its administrator, Hawksford Trust Company Jersey Limited. On incorporation, the Company issued one ordinary share of £1 to its parent, which remained unpaid as at 30 September 2026 and is included within other receivables.

The administrator receives administration and company annual service fees. Administration and company annual services fees for the period amounted to £10,650 with an amount of £10,650 outstanding as at the period end.

Key management personnel comprise the Company's Directors. The Directors did not receive any remuneration, fees or other benefits from the Company during the period.

8. Taxation

The Company is resident for tax purposes in Jersey. Under Jersey income tax legislation, the standard rate of corporate income tax is 0%, with a rate of 10% applying to certain regulated financial services businesses and specified utility activities. The Company did not undertake any activities subject to Jersey income tax during the period and accordingly no current or deferred tax charge arose. As at 30 September 2026, the Company had no deferred tax assets or liabilities.

9. Financial instruments and financial risk management

The Company held no cash and cash equivalents as at 30 September 2026 and had not opened a bank account. At the reporting date, the Company had a trade and other receivable of £1 in respect of the unpaid ordinary share subscription and trade and other payables of £26,783 relating to accrued administrative, audit and professional expenses.

The Company's exposure to credit risk is limited to the £1 receivable due from the shareholder. Liquidity risk arises primarily from the accrued administrative and audit expenses recognised at the reporting date. The Directors monitor the Company's financial position on an ongoing basis and consider that the support available from the Parent is sufficient to enable the Company to meet its obligations as they fall due. The Company was not exposed to significant market risk or interest rate risk during the period.

The Company's capital comprises its issued ordinary share capital. The Directors' objective in managing capital is to safeguard the Company's ability to continue as a going concern and to maintain an appropriate capital structure.

10. Subsequent events and authorisation of the financial statements

The Directors are not aware of any events between 30 September 2026 and the date of approval of these financial statements requiring adjustment to, or disclosure in, these financial statements.
